

# Brampton Rep

Our two voluntary Brampton Rd. Reps speak, represent, and make decisions on behalf of the Brampton Rd. student community. They sit at the heart of decision-making within the Students' Union and have a say in everything we do in Brampton Rd..

## MEETINGS

The Brampton Rd. Reps attend the following meetings:

- UCSU Executive Committee
- UCSU Student Council

## ENGAGING WITH MEMBERS

The Brampton Rd. Reps are supported to maintain a presence on Brampton Rd. campus, communicate with students on a regular basis, and attend member-led events.

The Brampton Rd. Reps work to gather the views of members on Brampton Rd. campus.

## SUPPORT

The Brampton Rd. Reps are unpaid volunteers who undertake the role alongside their studies.

They receive a period of induction during the summer as well as one-to-one coaching and mentoring from members of Students' Union staff throughout their term in office.

The Students' Union is committed to the personal development of all Officers and Representatives, including (but not limited to) additional training and support where necessary.

## EXECUTIVE COMMITTEE

The Brampton Rd. Reps sit on Executive Committee which meets every two weeks and is made up of Campus Reps from each main site and the three Sabbatical Officers.

The Executive Committee are the democratic leadership of the Students' Union. They make decisions on students' Ideas, plan campaigns, and delegate decision-making to Student Council, Liberation Networks, and Referendums.
