

Fusehill St. Rep

Our two voluntary Fusehill St. Reps speak, represent, and make decisions on behalf of the Fusehill St. student community. They sit at the heart of decision-making within the Students' Union and have a say in everything we do in Fusehill St..

MEETINGS

The Fusehill St. Reps attend the following meetings:

- UCSU Executive Committee
- UCSU Student Council

ENGAGING WITH MEMBERS

The Fusehill St. Reps are supported to maintain a presence on Fusehill St. campus, communicate with students on a regular basis, and attend memberled events.

The Fusehill St. Reps work to gather the views of members on Fusehill St. campus.

SUPPORT

The Fusehill St. Reps are unpaid volunteers who undertake the role alongside their studies.

They receive a period of induction during the summer as well as one-to-one coaching and mentoring from members of Students' Union staff throughout their term in office.

The Students' Union is committed to the personal development of all Officers and Representatives, including (but not limited to) additional training and support where necessary.

EXECUTIVE COMMITTEE

The Fusehill St. Reps sit on Executive Committee which meets every two weeks and is made up of Campus Reps from each main site and the three Sabbatical Officers.

The Executive Committee are the democratic leadership of the Students' Union. They make decisions on students' Ideas, plan campaigns, and delegate decision-making to Student Council, Liberation Networks, and Referendums.
